- (3) When the sudden destruction of or damage to institutions dictates immediate replacement in order to protect the lives and safety of inmates and staff and protection of U.S. Government property.
- 12. Review.
- (1) If a proposed action is not covered by Sections 8 through 10 of this appendix, the Bureau of Prisons will independently determine whether to prepare either an environmental impact statement or an environmental assessment.
- (2) When a proposed action that could be classified as a categorical exclusion under Section 9 of this appendix involves extraordinary circumstances that may affect the environment, the Bureau shall conduct appropriate environmental studies to determine if the categorical exclusion classification is proper for that proposed action.

- APPENDIX B TO PART 61—DRUG ENFORCEMENT ADMINISTRATION PROCEDURES RELATING TO THE IMPLEMENTATION OF THE NATIONAL ENVIRONMENTAL POLICY ACT
  - 1. Applicability.
- 2. Typical Classes of Action Requiring Similar Treatment Under NEPA.
- 3. Environmental Information.
- 1. Applicability.

This part applies to all organizational elements of the Drug Enforcement Administration [DEA].

- 2. Typical Classes of Action Requiring Similar Treatment Under NEPA.
- (a) Section 1507.3(c)(2) in conjunction with §1508.4 requires agencies to establish three typical classes of action for similar treatment under NEPA. These typical classes of action are set forth below:

(1) Actions normally requiring EIS	(2) Actions normally not requiring environmental assessments or EIS (Categorical exclusions)	(3) Actions normally requiring environ- mental assessments but not necessarily EIS
None	Scheduling of drugs as controlled substances	Chemical eradication of plant species from which controlled substances may be extracted.
	Establishing quotas for controlled substances. Registration of persons authorized to handle controlled substances. Storage and destruction of controlled substances. Manual eradication of plant species from which controlled substances may be extracted.	

(b) For the principal DEA program requiring environmental review, the following chart identifies the point at which the NEPA process begins, the point at which it ends,

and the key agency officials or offices required to consider environmental documents in their decisionmaking.

Principal program	Start of NEPA process	Completion of NEPA process	Key officials or offices re- quired to consider environ- mental documents
Eradication of plant species from which controlled substances may be extracted.	Prepare an environmental assessment.	Final review of environmental assessment or Environmental Impact Statement.	Office of Science and Technology.

- (c) The DEA shall independently determine whether an EIS or an environmental assessment is required where:
- (1) A proposal for agency action is not covered by one of the typical classes of action in (a) above; or
- (2) For actions which are covered, the presence of extraordinary circumstances indicates that some other level of environmental review may be appropriate.
- 3. Environmental Information

Interested persons may contact the Office of Science and Technology for information regarding the DEA compliance with NEPA.
